

Under the Government rules, we will open at our normal opening hours at Penrose, Manukau and Highbrook branches: **Monday to Friday** from 9.00am - 4.30pm and at Manukau on **Saturday** 9.00am - 1.00pm.

To stop the spread of COVID-19, there will still be some rules in place to protect everyone. First, **please do not come into any branch if you:**

- Have any health issues, even a minor cough or sneezes; or
- Require any physical mobility assistance; or
- Can't leave children with someone else outside the branch.

Instead, call us and we can work out how best to help you.

If you visit us, please

- Make sure there is only one person at a time in the branch;
- You must wear a mask to comply with the COVID-19 rules;
- Scan our QR code before entering;
- Co-operate with staff and our distancing and hygiene rules;
- Use the hand sanitisers and tissues that are available;
- Remain at least a metre distance from staff and other Members both inside and outside the branch.
